

Rozzie Flea Market at Adams Park

2024 Information for Participants

Thank you for taking part in the Rozzie Flea Market at Adams Park, organized by Roslindale Village Main Street (RVMS). The Flea Market is a fun opportunity to gather in our neighborhood, to meet our neighbors and to clear a few items out of our basements. The market is for sales of privately pre-owned new or used items, and not for commercial sales. RVMS is not responsible for the items sold at the Flea Market, and is solely acting as a host. There is a 10-dollar fee to participate.

All Payments must be made by April 10th to participate in the Flea Market. If you have questions about your registration, please contact the RVMS Events Manager, Steve. Marcellin, at events@roslindale.net.

Participation in the Flea Market represents an acceptance of the rules below.

Sales:

Sales will take place on Sunday, April 13th, from 9:00 am to 12:00 pm, at Adams Park. Please arrive at 7:00 am to allow time for set-up. Please clean up your area and place any trash into the trash can, by 12:30 pm.

Please remember to bring your own table. Items of all shapes and sizes are welcome at the Flea Market, as long as they are organized so that they do not pose a hazard to other participants, browsers or volunteers (an RVMS volunteer can help you with this), and that they are removed at the end of the day. Consider bringing a dolly or cart if this would help.

RVMS will not supply price tags, markers, or bags. Please bring everything you need except the table. RVMS will not be involved in, or responsible for, participants' sales and will not assist in transactions: be prepared to bring sufficient cash and change for browsers. Participants must manage their own sales and payment methods, which may include cash and/or mobile payment apps such as Venmo, Google Pay, ApplePay, etc.

There is access to electricity at Adams Park to test electronics.

Prohibited Items:

Flea Market participants may NOT offer new commercial goods, nor items such as food, alcohol, drugs, weapons, ammunition, expired or recalled items. Acceptance or rejection of items will be at the discretion of the attending RVMS volunteers.

Unsold Items and Clean-up:

Any unsold items must be removed from the park at the end of the flea market. Please dispose of any trash generated at or around your table in the park trash can, and consider contributing to a brief clean-up of the park following the event.

Parking:

We encourage participants to walk, bike or use public transit whenever possible. If you need to drive to the event, parking is available in the free Taft Hill Terrace municipal lot off South St., at the MBTA Lower Commuter Rail Lot off Belgrade Ave.

Cancellations:

If you find yourself unable to participate in the flea market after you have registered, please inform us as soon as possible by emailing events@roslindale.net. In the event of rain, high winds, or other issues, we may email registered participants to cancel the event. Please check your email just prior to going to Adams Park to set up.
