Dumpling Festival Sponsorship Benefits

Join us to celebrate one of the world's most beloved foods at this mouthwatering community event. The Dumpling Festival brings together local restaurants and vendors to showcase their own delicious takes on this global comfort food — from traditional recipes to creative new twists.

Last year's festival attracted over 5,000 attendees and 15 dumpling vendors. Your sponsorship puts your brand in front of one of the largest community events in Roslindale, to be held fall 2026.
